Cleveland Beauceant Celebrates Its Centennial

The Social Order of the Beauceant was originally started at the suggestion of the Commandery in Denver, Colorado. Asked to host the 25th Triennial Conclave for the Grand Encampment of the Knights Templar which was to be held in their city in August 1892, the Sir Knights felt that with only one Commandery and a membership of just over 300 they needed help. Their wives agreed to assist.

At their first official meeting in February 1890, the Ladies adopted the name "Some of Our Business Society" and a brief ritual. The S.O.O.B. was organized solely for the purpose of providing aid and sociability for the Sir Knights and Ladies who would attend the Triennial. The Ladies so enjoyed the work that they never disbanded, but instead continued operating for the purpose of "making life purer, better and sweeter for others."

The Society remained a small, loyal, local band of Ladies, doing good, and assisting their Sir Knights until the 1913 Triennial when they decided to take action to expand. It was then that the first members from other cities were initiated. At that same time, a decision was made to change their name to something more appropriate to Templary while retaining the initials S.O.O.B. Derived from a banner used by the ancient Templars, the "Social Order of the Beauceant" was the result. From that small start, the Order expanded to over 15,000 members. There are now 2,229 members with 54 Assemblies in twenty nine states.

Cleveland Assembly #15 S.O.O.B. was constituted on April 29, 1921. (Yes, that means this celebration was delayed by COVID!) The first meeting

was held at the Odd Fellows Hall located at 2064 East 55th Street. By October 1921 the Assembly membership had grown; and the Assembly moved to Python Castle located at 1626 East 55th Street, a more suitable facility.

In 1922 it was voted to rent the Lodge room on the third floor at the Al Koran Club located at 1624 East 35th Street. The "New Masonic Temple" opened, and in November 1923 the Assembly moved to 3615 Euclid Avenue (at that time the

Andrews Avenue Construction Detour

By the time you read this, Andrews Avenue should be open to two-way traffic between Detroit Avenue and our parking lot (but not always between our lot and Clifton Boulevard).

Starting in early November, Andrews traffic was restricted to southbound only (from Clifton); and it was not possible to turn northbound from Detroit onto Andrews to access our parking lot.

The work has now progressed to installing new sewer lines and manholes to separate sanitary and storm discharges. This is expected to take one week per manhole or seven weeks total, lasting until mid-April. As this is being written in late February, work is nearing completion on the first manhole which is opposite our building.

During this phase, Andrews will be closed to through traffic on weekdays but with two-way traffic both north and south of the excavations. On weekends we expect to see two-way through traffic the full length of Andrews.

New Ways to Donate to our Foundation

Nearly every Mason and Eastern Star who has been a member of our Lakewood Masonic Family has fond memories of his/her experiences. These memories are all the more vivid because of our beautiful Lakewood Masonic Temple, specially designed as a home uniquely capable of supporting our fraternal activities. Many of our members have gone the extra mile by making contributions above and beyond their annual dues. Amazon has ended its Amazon Smile program, but there are still several other new ways to donate to our Foundation.

Facebook users may donate through our Facebook page. Facebook does not charge a fee to our Lakewood Masonic Foundation or other not-for-profit organizations.

Starting in 2023, holders of traditional (not Roth) IRAs must begin taking required minimum distributions (RMDs) in the year they turn age 73. Distributions made directly from an IRA to a qualified charity such as

our Lakewood Masonic Foundation can count toward your required minimum distribution, subject to a collective limit of \$100,000 per year. Such distributions do not incur either federal income or estate taxes but also do not count as itemized deductions for tax purposes.

Donations can be made after death by naming The Lakewood Masonic Foundation as a beneficiary in your will, life insurance policy, IRA, TOD (Transfer on Death) account or the like, either as a fixed amount or a percentage. A will can be amended by codicils without having to be rewritten in its entirety. In matters such as these, you are best advised to discuss your intentions with an attorney and/or tax accountant.

Gifts may be in the form of cash, securities or property. Gifts of appreciated securities and/or charitable gift annuities can be especially beneficial to the donor. In matters such

as these, you are best advised to discuss your intentions with an attorney and/or tax accountant.

Some employers have payroll deduction plans and/or matching gift programs for charitable giving. Check yours.

Gifts and bequests to our Lakewood Masonic Foundation (but not our Lakewood Masonic Temple Endowment Fund or our Lakewood Masonic Temple Company Operating Fund) are deductible for federal estate and income taxes to the extent permitted by law. As always, we encourage you to consult your legal and financial advisors for assistance in determining in what form and in what amount you should make any major gift or bequest.

[Note: Amazon has ended its AmazonSmile program. We are grateful to all who used this program to support our Foundation.]

Master's Message

Brethren:

This has been a busy year thus far. We started off the year by holding several practices in the Master Mason Degree in preparation for our Annual Inspection. We raised Brother Agregado Jr. to the Sublime Degree of Master Mason before he participated in the Fellowcraft Team for our Inspection in February.

I am pleased to say that our Annual Inspection was a success! Brother Tyler Peebles was raised to the Sublime Degree of Master Mason on February 23. The Inspection was well attended, and those who were in attendance saw one of the best Master Mason Degrees that have been put on in a long time. This was due to the dedication of the Brethren of our Lodge. Several of the Brethren came to many of the practices and were dedicated to making the degree a success and our Lodge a better Lodge for some of the changes that have been made.

I would like to thank all those Brethren who made this year's Inspection a success. The degree was completed by members old and young, novice and veteran, as well as participation from members who have not been to Lodge in a while. We have a great Fellowcraft Team Captain in W.B. Hupp, Chamber of Reflection - W.B. Hendzell, Musician - R.W.B. Whitehouse, Jr. and Singer - W.B. Hein; just to name a few.

However, the work has only begun! We will continue to make improvements and to engage our members in as many ways as possible. Events to look forward to are our Annual Awards Night that will be held on May 25 and our Ladies At The Table, Table Lodge that will be held on June 22.

Once again I would like to thank and congratulate all the members of Clifton-Gaston Allen Lodge #664 F&AM for a job well done. "Together we can," and together we did.

Fraternal Army Lodge, No. 4

On October 17, 1861, Grand Master Coolidge, Grand Lodge of Massachusetts, chartered Fraternal Army Lodge, No.4. Worshipful Joseph B. Knox, Master of Morning Star Lodge of Boston at the time, was named its Worshipful Master. It was one of many military Lodges in both armies of the Civil War, including local Lodges in the zone of conflict, which faithfully carried into practice the claims of the Mystic Tie; as when, at New Bern, N.C., No. 4 recovered the possessions of St. John's Lodge, No. 3, sent them back to Boston for safe-keeping, and returned them after the war. Innumerable instances of like kind, carried on through four years, completely proved the *reality* of the Masonic spirit; hundreds of civil and military leaders (Wm. McKinley among them) were drawn into the Craft because of it; and it led to such an increase in Masonic growth and influence that the

Master's Message

As someone who was raised to believe in the power of community and the bonds of fellowship, I am especially mindful of the importance that Freemasonry has provided over the centuries.

In a way, becoming a Freemason was the natural course for me. The ideals of Freemasonry were entrenched in my mind and my heart as a kid. Both of my great grandfathers were Masons. I was always interested in being involved in my community, and I loved the idea of gaining secret historical esoteric knowledge!

I love the opportunity to form genuine relationships with a diverse group of people. Despite our differences in background, there is something truly unifying about Freemasonry which allows us to come together for the betterment of the Lodge, our local community and the world.

But more than just a willingness to serve and to help others, what keeps me involved in the Lodge is the feeling of family and brotherhood that I feel every time I attend a meeting. It is humbling and joyful to be part of a group dedicated to strengthening the bonds of friendship and fellowship with one another and to know that I can always count on their support and camaraderie.

Important Dates

- March 13 Dinner, Architectural Presentation, and DEO EA Education
- March 27 Degree or Education
- April 10 Inspection Practice
- April 24 Inspection in the Entered Apprentice Degree

Above all else, however, Freemasonry has enabled me to use my knowledge to help my brothers improve in their individual journeys through life. I feel that the need to help others is one of the most powerful reasons I remain passionate about the Craft.

The teachings of Freemasonry can be transformative. Through our ritualistic practices and generations of wisdom, we are able to teach one another the importance of hard work, integrity and compassion. We come together to improve ourselves and our communities with the knowledge that we can be more than what we are today.

I am proud to be a member of this ancient and honorable fraternity. Freemasonry has enabled me to become a better man, to learn from my brothers, and to use my knowledge to help others improve in their lives. I am proud of the legacy I have within this fraternity, and I look forward to continuing to serve my brothers and use my knowledge to help them reach their fullest potential.

My message to Lodge this year is simple. Do not compare yourself to

Matron's Message

We added to our "Treasure Chest of Memories" on February 15 with a visit from Abraham Lincoln, aka, John King. He shared with us the history of his life and his involvement with Ann Rutledge. His program ended with the "Gettysburg Address." Looking at him and hearing him speak, you felt like you were there the day he gave the address. A cherished memory.

The tentative schedule of meetings for March, April and May starts with March 1, celebrating those born in February, March and April. Of course, March 15 meeting is time to wear your green and celebrate St. Patrick's Day. The day everyone is Irish. With the Easter season upon us, we have NO MEETING on April 5 due to Holy Week, but we will celebrate Easter at the April 19 meeting. At this meeting we will have initiation to prepare for our **Inspection on May 3. Our Chapter is honored this year to be inspected by the Associate Grand Conductress, Debbie Somerlot.** Hope you will be able to come and support our officers as they do the initiatory work. As they say, once Inspection is over it is fun for the rest of the year. So, May 17 we honor Mother's Day and May, June and July birthdays. Also, honoring those members we have lost over the last year.

Chapter Directories are being updated. Please be sure to let our secretary, Norma Jean Crown, know if you have any change in address, phone or email address. The Chapter email address is annrutledgeoes@gmail.com.

We will be honoring members in September. Some of our members are unable to be with us that day, so we hope you will take a moment and send some memories you have of your time in Ann Rutledge Chapter. Someone who may have helped you along your way in Chapter, the first station you held or anything you feel is special and want to share with other members. Your memories will be shared at the September meeting and included in the bulletin.

Around the Town continues to meet each month for a dining experience. It is usually the 4th Wednesday of each month. For the month of March, we plan to have dinner before we attend the Grand Officer Exemplification of Initiation at Berea Masonic Center on Friday, March 24. Location and time to be announced for the dinner. Hope you can join us for dinner and the exemplification by the Grand Officers. RSVP to Gloria Cazan, WM.

Hope to see you at one of our meetings as we create more memories together.

Device

A term in heraldry signifying any *emblem* used to represent a family, person, nation, or society, and to distinguish such from any other. The *device* is usually accompanied with a suitable motto applied in a figurative sense, and its essence consists in a metaphorical similitude between the thing representing and that represented. Thus, the device of a lion represents the courage of the person bearing it. The oak is the device of strength; the palm, of victory; the sword, of honor; and the eagle, of sovereign power. The several sections of the Masonic sodality are distinguished by appropriate devices.

1. *Ancient Craft Masonry*. Besides the arms of Speculative Freemasonry, which are described in this work under the appropriate head, the most common device is a *square and compass*.

2. *Royal Arch Masonry*. The device is a *triple tau within a triangle*.

3. *Knight Templarism*. The ancient device, which was borne on the seals and banners of the primitive Order, was two knights riding on one horse, in allusion to the vow of poverty taken by the founders. The modern device of Masonic Templarism is a *cross pattée*.

4. *Scottish Rite Masonry*. The device is a *double-headed eagle crowned, holding in his claws a sword*.

5. *Royal and Select Masters*. The device is a *trowel suspended within a triangle*, in which the allusion is to the tetragrammaton symbolized by the *triangle* or *delta*, and the workmen at the first Temple symbolized by the *trowel*.

6. *Rose Croix Masonry*. The device is a *cross charged with a rose; at its foot an eagle and a pelican*.

7. *Knight of the Sun*. This old Degree of philosophical Freemasonry has for its device *rays of light issuing from a triangle inscribed within a circle of darkness*, which "teaches us," says Oliver, "that when man was enlightened by the Deity with reason, he became enabled to penetrate the darkness and obscurity which ignorance and superstition had spread abroad to allure men to their destruction."

Each of these devices is accompanied by a motto which properly forms a part of it. These mottoes will be found under the head of *Motto*.

The Italian heralds have paid particular attention to the subject of devices, and have established certain laws for their construction, which are generally recognized in other countries. These laws are: That there be nothing extravagant or monstrous in the figures. That figures never be joined together which have no relation or affinity with one another. That the human body should never be used. That the figures should be few in number, and that the motto should refer to the device, and express with it a common idea. According to P. Bouhours, the figure or emblem was called the *body*, and the motto the *soul* of the device.

Curiosity

It is a very general opinion among Freemasons that a candidate should not be actuated by curiosity in seeking admission into the Order. But, in fact, there is no regulation nor landmark on the subject. An idle curiosity is, it is true, the characteristic of a weak mind. But to be influenced by a laudable curiosity to penetrate the mysteries of an Institution venerable for its antiquity and its universality, is to be controlled by a motive which is not reprehensible, an impulse to be esteemed and welcomed. There are indeed, in legends of the advanced degrees, some instances where curiosity is condemned; but the curiosity, in these instances, led to an intrusion into forbidden places, and is very different from the curiosity or desire for knowledge which leads a profane to seek fairly and openly an acquaintance with mysteries which he has already learned to respect.

—From Mackey’s *Revised Encyclopedia of Freemasonry*, 1946.

Masonic Purposes

It is in each and every Grand Jurisdiction an unwritten law, and in a number of them it is a written law, that Lodge or other Masonic funds are to be expended “for Masonic purposes” only. This is a Landmark which Mackey did not include in his list (see page 500) through it indubitably is a Landmark and is as ancient as the Craft itself. Masonic Jurisprudence continues in an inchoate, or uncompleted, condition; neither Grand Lodges nor authorities on jurisprudence have ever codified either the Statutes or the Constitutional regulations concerning money; it is for that reason impossible to define “Masonic purposes” accurately, though in practice it is almost never difficult to draw a line between Masonic and non-Masonic (or un-Masonic) purposes. In general, statements as to what Masonic purposes are may be found in the lists of Landmarks officially adopted or approved by Grand Lodges; here and there in Codes; in established rules and practices; in the Lodge Charter, and in the Old Charges. There is to be a Lodge; it is to have a room; it is to make Masons; at stated times it is to assemble them; it is to extend relief; and it is to be expected that among themselves they will enjoy feasts and other entertainment which belong to good fellowship. For these purposes, money must be expended; the total cost per year is divided among members and among petitioners and candidates, who pay proportional shares in the form of fees, dues, and assessments. The funds which come into the Lodges are therefore, and as it were, already earmarked; it is unlawful to use them in expenditure for anything other than the purposes for which they were paid or given.

Stated Conclave First Thursday 7:30 p.m. • www.holygrail70kt.org

Recorder's Message

Sir Knights:

We are in the midst of Inspection season, with Holy Grail's Inspection in the Order of the Temple scheduled for a Special Conclave on our traditional date of Saturday, March 18. Our officers and candidate will gather at Noon for a light lunch with our Inspecting Officer and other early-arriving dignitaries. The Pre-chamber Lecture will start at 1:30p followed immediately by the Chamber Lecture. We will open in short form at 2:00p and confer the Order of the Temple, after which we will take a short recess, following which we will conduct the Full Form Opening. As is customary, there will be a ladies program during Inspection.

The traditional banquet will start at 6:00p; consisting of boneless chicken marsala with oven-browned potatoes, vegetables, tossed salad, rolls and dessert at a cost of \$15.00. PLEASE MAKE RESERVATIONS with Generalissimo SK Ron Bokan NO LATER THAN SATURDAY, MARCH 11.

Our Commander SK Bert Horne's wife Linda has been experiencing health challenges which require his close attention, so he has been taking a necessary leave of absence from our conclaves and practices; but the two of them have stayed active together in organizing this year's fish fries at our Temple. Please keep both in your prayers.

In the interim, SK Bokan has been presiding and will act as Commander for the Full Form Opening, with Recorder SK Bob Niebaum filling in as Generalissimo. Captain General SK Curtis Hendzell, Immediate Past Commander, will preside in the Order of the Temple, with SK Niebaum trying his hand at Captain General; all so our other officers can focus on their current stations and we can fill as many roles as possible with our own members. If you have a uniform and sword, there's a place for you in the Army!

In April we will assign roles for full form Order of Malta with the intent of conferring the Order ourselves next fall for the first time in many years. We conferred the full form Order of the Red Cross last December with a little help from our fraters. Our goal is to confer all three Orders in full form next year. (Yes, we can find a role for YOU!) Elections will be in May with our Annual Conclave and Installation in June. Come and participate!

Please support the fish fry fundraisers at our Lakewood Masonic Temple every Friday through Good Friday, serving from 4:30p to 7:30p, with live music organized by our own SK Gary Rice. They are open to family, friends and the general public. The proceeds are ultimately used for the maintenance and preservation of our historic Temple.

Lastly, please consider supporting our Knights Templar charities—the Eye Foundation, Educational Foundation and Holy Land Pilgrimage for ordained clergy. Note especially that you can now participate in a standard Pilgrimage for non-clergy or a special, less physically demanding version for seniors. Visit www.knightstemplar.org for details on all.

Valley of Cleveland Scottish Rite Building). This remained its home until moving to our Lakewood Masonic Temple in 1999.

On April 15, 1950, Lorain Assembly #147 was constituted. On February 5, 1982, it consolidated with Cleveland Assembly.

During these early years the members did a lot of welfare work such as inviting children from the Christian orphanage to Christmas parties and presenting them with gifts. The Ladies continue today with charitable work. The Knights Templar Eye Foundation has been supported by the Social Order of the Beauceant since 1957, and since this time the S.O.O.B. has made donations of over one and half million dollars.

Wives, widows, mothers, sisters, daughters and granddaughters of Knights Templar of United States of America, or mothers, sisters, daughters, and granddaughters of a member, who are, or were at time of decease in good standing in a Commandery or an Assembly are eligible to membership. A petitioner must be at least 18 years of age at the time of petitioning. For more information visit www.orderofbeauceant.org.

Fraternal Army Lodge, No. 4

(continued from page 3)

Civil War Period was a turning point in the history of American Freemasonry. Also it drove completely out of the nation's memory the stupid allegations made during the craze of Anti-Masonry from 1826 to 1850. (For a detailed history of No. 4 see *A Centennial History of Morning Star Lodge, No. 4*, by Edward S. Nason; Worcester, Mass.; 1894.)

Master's Message

(continued from page 4)

others on your journey of self-improvement. Instead, focus on the improvements you have made as an individual since you started your journey as a Freemason. Everyone has their own unique path that has led them to this point; and it is important to take pride in your strides, no matter how small or big. Through brotherly love and guidance, we can make great strides in our lives and in the lives of our fellow brothers.

Motto

In imitation of the sentences appended to the Coats of Arms and seals of the Gilds and other societies, the Freemasons have for the different branches of their Order mottoes, which are placed on their banners or put at the head of their documents, which are expressive of the character and design, either of the whole Order or of the particular branch to which the *motto* belongs. Thus, in Ancient Craft Masonry, we have as mottoes the sentences, *Ordo ab Chao*, and *Lux e tenebris*; in Capitular Masonry, *Holiness to the Lord*; in Templar Masonry, *In hoc signo vinces*; in Scottish Masonry *Ne plus ultra* is the motto of the Thirtieth Degree, and *Spes mea in Deo est* of the Thirty-second; while the Thirty-third has for its motto *Deus meumque Jus*. All of these will be found with their signification and origin in their appropriate places in this work.
