The Foundation and The Endowment Fund What's the Difference?

The Foundation

The Lakewood Masonic Foundation is a brand new entity incorporated in October 2003 to offer members of the Lakewood Masonic Family and other friends of the Lakewood Masonic Temple an opportunity to provide financial support with potential tax advantages to the donor. Gifts to the Foundation are deductible for federal income tax and federal estate tax purposes to the extent permitted by law.

The Foundation's purposes are to raise and provide funds for historic preservation, charity and education. Restoration and preservation of the Lakewood Masonic Temple is currently the primary focus of the Foundation. Funds raised for this purpose will be granted to the Lakewood Masonic Temple Company for qualified projects which assist in restoring and maintaining the building in its original historic condition. These grants will supplement the Temple Company's traditional revenue streams from owner assessments, rentals and endowment income.

While it is easy to visualize many of the Temple's special features such as leaded glass windows and Lodge Room murals, other aspects of the building are essential to the Temple's survival but are unseen. For example, the walls and floors are full of steam pipes, water pipes, drains and electrical conduits, nearly all of which are approaching 90 years old. These systems are expensive to repair

and improve, but they are elements vitally necessary to maintaining and restoring the Temple as an historic building.

The Foundation will also manage scholarship and philanthropic funds for individuals or organizations wishing to donate for these purposes.

A form for making donations to the Foundation can be found on page 12. Take a few minutes to show your support by completing the form and returning it with your check.

The Endowment Fund

The Endowment Fund was started in 1986. It was then, is now, and will continue to be a part of the Lakewood Masonic Temple Company. As such, gifts to the Endowment Fund are not deductible for federal tax purposes. Donors who wish to support building maintenance and improvements but who are not concerned with the tax advantages of gifts to the Foundation should consider instead donating to the Endowment Fund.

The purpose of this Fund is more specific; namely, to "help with the maintenance, rehabilitation, reconstruction or renovation of real property owned by the Lakewood Masonic Temple Company." Moreover, this Fund was established and operates with the promise that only the income is spent and that the Fund's principal can only be used for emergency reasons and by an affirmative vote of 3/4 of the LMTC Board of Trustees.

How Can I Give to the Foundation?

The easiest way to give is to donate cash by making a check payable to the Lakewood Masonic Foundation and mailing it to the Foundation at 15300 Detroit Avenue, Lakewood, Ohio 44107-3828. There is a form printed on page 12 that you can use for this purpose.

Another way to give is by donating securities. There may be a tax advantage when directly donating appreciated securities since you may be able to avoid paying capital gains tax on the donated securities—in contrast to selling the securities and then using the proceeds to making a cash donation. There is no tax advantage in donating depreciated securities, so it is usually wiser to sell the securities, take the capital loss against your income taxes, and then give the proceeds to the Foundation.

You can also give by naming the Lakewood Masonic Foundation as a beneficiary of a life insurance policy, an IRA, or your estate. Especially in matters such as these, you are best advised to discuss your intentions with an attorney and a tax accountant.

Gifts to the Foundation are deductible for federal income tax and/or federal estate tax purposes to the extent permitted by law.

Temple Company News

Utilities. Natural gas, electricity, water, sewer, telephone. We can't live without them. Do you cringe every time you find one of these bills in your mailbox? Imagine the costs of operating a building as large as our Temple!

For a number of years your Temple Company has focused on reducing operating costs by improving operating efficiencies. Take, for example, our heating costs. Our annual gas bill is our largest single utility expense. After one of the colder winters of the mid-1990's, we installed a setback thermostat to automatically turn down the heat overnight and on weekends when the building is not in use. We estimate that we reduced our gas usage by 15% in the first year; and, as we fine-tuned our programming, our savings grew to 20%. We achieved additional savings after the installation of our new high efficiency boiler in 2001, and in the first two full seasons thereafter we saved an additional 15%. These two improvements have enabled us to heat our building using 1/3 less gas than our prior experience. This translates into savings of thousands of dollars each year.

Most operating cost savings such as these can only be achieved with an up-front investment. Your contributions to either the Lakewood Masonic Temple Endowment Fund or to the new Lakewood Masonic Foundation provide urgently needed funds to maintain and improve our historic Temple as an affordable home for our Lakewood Masonic Family and other community groups.

Gifts to The Lakewood Masonic Foundation are deductible for federal tax purposes to the extent permitted by law.

Master's Message

Greetings Brethren:

This year seems to be going by pretty fast; Inspection is over along with the Grand Master's Reception. By the time you read this we will be back from our annual trip to Dominion Lodge in Windsor, Ontario. And before you know it, it will be time for our picnic on July 11.

We all keep busy these days and have so much to do that we tend to forego things that we really enjoy. Many of use have to use PDAs to schedule our days and weeks ahead of time. So the next time you're working on your schedule, set aside some time to attend your lodge; and don't forget the picnic.

Why Is Masonry So "Secretive?"

It really isn't "secretive," although it sometimes has that reputation. Masons certainly don't make a secret of the fact that they are members of the fraternity. We wear rings, lapel pins, and tie clasps with Masonic emblems like the Square and Compasses, the best known of Masonic signs which, logically, recall the fraternity's early symbolic roots in stonemasonry. Masonic buildings are clearly marked, and are usually listed in the phone book. Lodge activities are not secret—picnics and other events are even listed in the newspapers, especially in smaller towns. Many lodges have answering machines which give the upcoming lodge activities. But there are some Masonic secrets, and they fall into two categories.

The first are the ways in which a man can identify himself as a Mason—grips and passwords. We keep those private for obvious reasons. It is not at all unknown for unscrupulous people to try to pass themselves off as Masons in order to get assistance under false pretenses.

The second group is harder to describe, but they are the ones Masons usually mean if we talk about "Masonic secrets." They are secrets because they literally can't be talked about, can't be put into words. They are the changes that happen to a man when he really accepts responsibility for his own life and, at the same time, truly decides that his real happiness is in helping others.

It's a wonderful feeling, but it's something you simply can't explain to another person. That's why we sometimes say that Masonic secrets cannot (rather than "may not") be told. Try telling someone exactly what you feel when you see a beautiful sunset, or when you hear music, like the national anthem, which suddenly stirs old memories, and you'll understand what we mean.

"Secret societies" became very popular in America in the late 1800s and early 1900s. There were literally hundreds of them, and most people belonged to two or three. Many of them were modeled on Masonry, and made a great point of having many "secrets." Freemasonry got ranked with them. But if Masonry is a secret society, it's the worst-kept secret in the world.

Stated Meetings Second & Fourth Mondays 7:30 p.m. • Special Meeting Third Monday

Master's Message

Brethren, I wish to thank all those who took part in our Inspection April 19. We saw members who have not been to Lodge in some time come out and assist in one of the best M.M. Degrees we have done in the past five years. Once again thank you for the effort. The candidate (who was not from Lakewood Lodge) was impressed with the quality of the work. Looking ahead, June 21 is our Annual Awards Night, when we recognize our members for their longevity in our Lodge. Please plan to be there to help us celebrate this event.

The Lodge has just received a petition for degrees. If the petitioner passes the various committees, we shall start to confer degrees in the fall. While addressing this subject I request all of you to keep a weather-eye out for potential new members. We are currently starting to build our line from the bottom; and, if our success continues, it would bode well for the future.

I have been approached about the possibility of a summer get-together of the members. If plans come to fruition, a supplemental postcard will be mailed advising you of the time, place and event. If any of our out-of-state members have plans to be in town during the summer, let us know as we'd be happy to see you.

Following is our schedule of events through the month of June and our tentative schedule for September. If any of you have suggestions for activities and/or events during the remainder of the year, I would be happy to hear them.

The North

The North is Masonically called a *Place of Darkness*. The sun in his progress through the ecliptic never reaches farther than 23°28' north of the equator. A wall being erected on any part of the earth farther north than that, will therefore, at meridian, receive the rays of the sun only on its south side, while the north will be entirely in shadow at the hour of meridian. The use of the north as a symbol of darkness is found, with the present interpretation, in the early instructions of the eighteenth century.

Matron's Message

June 2 is our Annual Meeting with committee reports and Election of Officers. At our June 16 meeting we will honor Busy Bee Auxiliary and the birthday babies of March, April, May and June.

As for our auxiliaries, on June 8 Evening Star will have lunch at the Cypress Gardens with Frances Butcher and play Dominoes after lunch in the lobby. On June 25 Busy Bee will be going out to lunch at the Home Town Buffet.

Elsewhere about the District, on June 14 there is a reception for Grand Adah at her home chapter of Windermere. The Cuyahoga County Eastern Star Home will host its annual card party on June 26.

June 29 is the final inspection in the state of Ohio at West Park Chapter, the home chapter of District 3's Deputy Grand Matron Cathy Leissa. The Inspecting Officer is Worthy Grand Matron Sandra Edmisten.

The 66 Club will be sponsoring its annual picnic on July 18 at Holden Arboretum.

Have a great summer and see you September 1, 2004.

The Sheaf of Wheat or Corn teaches Eastern Stars that many small acts of kindness performed, or many small duties well carried out, add up to important totals—that it is just as important to do small tasks and acts of kindness as to do large ones.

Stated Meeting Fourth Wednesday 7:30 p.m.

High Priest's Message

By the time this issue goes to print, my year as High Priest will be almost over. I think we made some good progress this past year. We completed the merger with Avon Lake Chapter and have integrated their members into our fold very nicely; we hosted the 16th District Religious Reaffirmation Day; we traveled to other inspections within the district; we had a very successful Past High Priests Night; we hosted a wonderful dinner for all members and wives at the White Oaks restaurant which was attended by 35 people; and at Grand Chapter we were honored as the only Chapter in the 16th District not to have shown a loss in membership last year.

I am encouraged by the fact that members who have not attended Chapter in quite some time are attending again and even taking offices next year. While this next year promises to be very busy for me both personally and professionally, it appears that I will be called upon to serve as High Priest again. In order for our Chapter to continue to build upon our success last year, I will need all of you to pitch in to help share the load this upcoming year so that we can continue to grow and prosper. I will do what I can, but I am going to need a lot of help. I thank you for the opportunity to have served this year, and I thank you in advance for the help that I know you will provide next year.

Lakewood Council #125 R. S. M.

Stated Meeting First Wednesday 7:30 p.m.

Master's Message

Greetings to all Masons!!!

Being as this edition of *The Foundation Light* covers two months of Masonic darkness, the months of July and August, we thought we would bring you some Masonic Light in the form of an explanation of what "Council R. & S. M." means and how it relates to the entire Masonic degree structure.

Council obviously means that our group is called a Council of Masons. We meet in a place called the council chamber, such as Chapters, Lodges and Commanderies designate what their group is called because they meet in chapters or lodges, etc. The R. & S. M. refer to Royal and Select Masons and comes from the titles of two of the degrees that are conferred in a Council of Royal and Select Masons.

The Royal Master Degree. This is the first of the Council degrees. It is conferred in a place known as the council chamber, which represents the private apartment of King Solomon's Temple, where he and his two associates met for consultation and deliberation during the construction of the Temple. The drama portrayed in it sheds additional light on both the Master Mason and Royal Arch Degrees. It and the next degree are essential to a clear understanding of the events of one section of the Royal Arch.

The Select Master Degree. In the Select Master's degree, which is the second of the Council, the place of meeting represents a "Secret Vault" or crypt beneath the Temple. The historical object of the degree is to commemorate the deposits of an important secret or treasure which, after the preliminary preparations, is said to have been made by our three Grand Masters.

The Super Excellent Master Degree. This degree was not originally a part of the Cryptic system and is not in all jurisdictions. It is required in Ohio. It has one of the best written rituals in Masonry. It deals with incidents in the reign of King Nebuchadnezzar when Zedekiah, the last King of Judah, was conquered and carried captive to Babylon. It enlarges upon the section of the Royal Arch having to do with the capture of Jerusalem by the Babylonian King and teaches in most dramatic fashion the lesson of fidelity.

I think it safe to assume that every Mason knows the orders of degrees and rites as they are conferred in the United States today. Lodge, Chapter, Council and Commandery. While our country was being formed, Thomas Smith Webb, America's greatest ritualist, rearranged the degrees that came from England in a series of Rites which make up the York Rite as we know it today. It was an attempt to preserve the Masonic ritual and to protect the beautiful and impressive lessons and truths that we know today. It is, however, interesting to view the order of occurrence of the events which they portray, their connection and the part each plays in explaining the others and in unfolding the Masonic story:

1. the portions of the Royal Arch antedating the building of the temple (Chapter)
2. the Entered Apprentice Degree (Lodge)

Holy Grail Commandery #70 K. T.

Stated Meeting Second Wednesday 7:30 p.m.

Commander's Message

I would like to take this time to thank everyone that helped to make my year as Commander of Holy Grail Commandery a very successful year.

Our Inspection was better than I had hoped for. All of the officers stations were filled, and we had many visiting Sir Knights from other Commanderies that assisted in the Inspection with our thanks. We were honored that our Right Eminent Grand Commander Roy C. Ritter and his lady Alice were able to take time out of their busy schedule to come to our Inspection. Also we would like to thank our Inspecting Officer Burch Zehner and his lady Lynn. Now we have to look to next year with our Installation of Officers on June 9. I think we all should try to be there to elect and support next years corps of officers.

Generalissimo's Message

My name is Robert Powell, and hope to be the next Commander of Holy Grail. This probably will be the biggest challenge of my life, but with your help and the good Lord willing we will prevail.

CUMULATIVE LIFETIME DONATIONS

We are grateful to those Masons, Eastern Stars and friends of the Lakewood Masonic Temple who, since 1986, have so generously donated to the Endowment Fund through annual gifts and by bequests. While the Endowment Fund will continue, donors may now choose, for tax or other reasons, to support the Lakewood Masonic Temple by donating to The Lakewood Masonic Foundation. A form for that purpose is printed on page 12. Please take a few minutes to show your support for the Foundation's first Annual Fund Campaign by completing and returning the form along with your check.
